REGULATIONS

1. Title and commencement—(1) These regulations may be cited as the Shipping (Fees) Regulations 1990.

(2) These regulations shall come into force on the 28th day after the date of their notification in the *Gazette*.

2. Interpretation—In these regulations, unless the context otherwise requires,—

“The Act” means the Shipping and Seamen Act 1952:

“Crew” includes the master and every officer, seaman, and apprentice:

“Docking survey” means a survey of the underwater part of the hull and fittings of a ship with the ship clear of the water.

3. Fees—(1) There shall be paid for the services specified in the First Schedule to these regulations the fees specified in that Schedule.

(2) The fees for work done outside normal hours shall be as follows:

(a) Whenever a Surveyor in the employment of the Department is engaged in survey work—

(i) On weekdays before 8 a.m. or after 5 p.m., an amount calculated at the rate of \$157.50 for the first 3 hours or part thereof, and \$210 for every hour or part of an hour thereafter with a minimum of \$315:

(ii) On Saturdays, Sundays, and other days when the offices of the Department are normally closed, an amount calculated at the rate of \$210 for every hour or part of an hour, with a minimum charge of \$630:

(b) Whenever an officer in the employment of the Department who is providing the service in respect of which the fees are payable is engaged in Mercantile Marine Office work—

(i) On weekdays before 8 a.m. or after 5 p.m., an amount calculated at the rate of \$157.50 for the first 3 hours and \$210 for every hour or part of an hour thereafter, with a minimum of \$315:

(ii) On Saturdays, Sundays, and other days when the Mercantile Marine Office is normally closed, an amount calculated at the rate of \$210 for every hour or part of an hour, with a minimum charge of \$630.

(3) In addition to the fees specified in the First Schedule to these regulations, the person liable to pay those fees shall pay the following:

(a) Whenever a Surveyor in the employment of the Department is required to travel by land or sea more than 50 kilometres from the nearest office of the Department at which a Surveyor is based to the place where the ship is presented for survey, an amount calculated at the rate of \$105 for every hour or part of an hour spent travelling beyond 50 kilometres from that office for the purpose of the survey:

(b) Whenever a ship is presented for survey at the Chatham Islands, Steward Island, or Milford Sound, or where, by prior arrangement with the person liable to pay any fee, a Surveyor travels by air to where the ship is presented for survey,—

(i) The cost of return air travel for the most practicable route between that place and the nearest appropriate office of the Department at which a Surveyor is based; and

(ii) An amount calculated at the rate of \$105 for every hour or part of an hour spent travelling between that place and that office for the purpose of the survey.

(4) The fees payable under subclauses (1) to (4) of this regulation shall be paid as follows:

In Respect of the Following Matters in the First Schedule	By Whom Payable
Section A—Examinations and approvals of plans and specifications	The person who submits the plan or specification for approval

4. Examination fees and fees for certificates and licences, etc.—

The fees specified in the Second Schedule to these regulations shall be payable to the Department in respect of the matters specified in that Schedule, being matters relating to examinations for, and the issue of, certificates, licences, and endorsements.

5. Fees where work or service not able to be completed or commenced—Where a Surveyor acting in good faith is for any reason not able to commence or complete any work or service to which these

regulations relate, and incurs expenses in respect of that work or service, there shall be payable to the Department by the person who requested the work or service—

- (a) A fee calculated at the rate of \$105 for every hour or part of an hour that the Surveyor is engaged on the work or service; and
- (b) A charge for travelling time calculated at the rate of \$105 for every hour or part of an hour spent by the Surveyor in travelling from the Surveyor's office to the place at which the work or service was commenced or was to be commenced; and
- (c) Actual and reasonable accommodation, and other expenses so incurred by the Surveyor.

6. Standard hourly rate—Where any fee specified in these regulations is the standard hourly rate, that fee shall be an amount calculated at the rate of \$105 for every hour or part of an hour the Surveyor actually spends on the work or service in respect of which the fee is payable.

7. Fees for clerical work—(1) Subject to subclauses (2) and (3) of this regulation, where any clerical work is required to be carried out by the Department in respect of any work or service for which a fee is payable under these regulations, an additional fee calculated at the rate of \$62 for every hour or part of an hour spent on such clerical work by any person employed by the Department shall be payable.

(2) Where such clerical work is carried out before 8 a.m. or after 5 p.m., on a weekday, the rate of the fee shall be \$93 for every hour or part of an hour for the first 3 hours spent on the work and \$124 for every hour or part of an hour spent thereafter.

(3) Where such clerical work is carried out on a statutory holiday or a weekend, the rate of the fee shall be \$124 for every hour or part of an hour spent on the work.

8. Fees not prescribed elsewhere in these regulations—Where the Act provides that the prescribed fee shall be payable in respect of any matter, and that fee is not prescribed by any other provision of these regulations, such fee shall be calculated at the rate of \$105 for every hour or part of an hour spent by the Surveyor or other officer in the employment of the Department in respect of that matter and be payable to the Department.

9. Secretary may refund or waive fees—The Secretary may authorise the refund or waiver of any fee, in whole or in part, where the ship in respect of which the fee is payable—

- (a) Is operated principally for training purposes on a national basis by an incorporated society or a charitable trust; or
- (b) Is operated principally for search and rescue purposes.

10. Fees inclusive of goods and services tax—The fees prescribed by these regulations are inclusive of goods and services tax at the rate of 12.5 percent payable under the Goods and Services Tax Act 1985.

11. Revocation—The Shipping (Fees) Regulations 1989* are hereby revoked.

EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force 28 days after the date of their notification in the *Gazette*, prescribe new fees for work carried out by surveyors under the Shipping and Seamen Act 1952. The principal change is to charge for such work at \$105 an hour rather than on a flat fee basis.

Issued under the authority of the Acts and Regulations Publication Act 1989.
Date of notification in *Gazette*: 25 October 1990.
These regulations are administered in the Ministry of Transport.
