

1961/27

**THE STOCK REMEDIES (BIOLOGICAL PRODUCTS)
REGULATIONS 1951, AMENDMENT NO. 3**

COBHAM, Governor-General

ORDER IN COUNCIL

At the Government Buildings at Wellington this 4th day of April 1961

Present:

THE RIGHT HON. KEITH HOLYOAKE, PRESIDING IN COUNCIL

PURSUANT to the Stock Remedies Act 1934, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following regulations.

REGULATIONS

1. (1) These regulations may be cited as the Stock Remedies (Biological Products) Regulations 1951, Amendment No. 3, and shall be read together with and deemed part of the Stock Remedies (Biological Products) Regulations 1951* (hereinafter referred to as the principal regulations).

(2) These regulations shall come into force on the seventh day after the date of their notification in the *Gazette*.

2. (1) Regulation 39 of the principal regulations, as substituted by regulation 2 of the Stock Remedies (Biological Products) Regulations 1951, Amendment No. 2, is hereby amended by adding to subclause (1) the words "or in the form of a serum or antiserum".

(2) The said regulation 39 of the principal regulations is hereby further amended by adding to subclause (5) the following paragraphs:

"(f) Clostridium septicum vaccine:

"(g) Tetanus Toxoid vaccine:

"(h) Pulpy kidney/tetanus combined vaccine for sheep."

3. Regulation 40 of the principal regulations, as substituted by regulation 2 of the Stock Remedies (Biological Products) Regulations 1951, Amendment No. 1, is hereby amended by revoking subclause (14).

4. The principal regulations are hereby amended by revoking the Second Schedule, as added by regulation 3 of the Stock Remedies (Biological Products) Regulations 1951, Amendment No. 1, and substituting the Second Schedule set out in the Schedule to these regulations.

5. All notices published by the Board pursuant to subclause (14) of regulation 40 of the principal regulations are hereby revoked.

6. Regulation 3 of the Stock Remedies (Biological Products) Regulations 1951, Amendment No. 1, and the Schedule thereto, are hereby consequentially revoked.

*S.R. 1951/202
Amendment No. 1: 1953/119
Amendment No. 2: 1958/28

SCHEDULE

"SECOND SCHEDULE

SUBSTANCES TO WHICH RESTRICTIONS ON RETAIL SALE, DISPENSING,
AND PRESCRIBING APPLY

1. Penicillin and its salts, and preparations containing penicillin or any of its salts, except the following preparations, namely:

- (a) Teat bougies in which penicillin or a salt of penicillin, in any strength not exceeding 100,000 units, is incorporated in a solid base (for the treatment of bovine mastitis by intramammary injection):
- (b) Preparations of penicillin or a salt of penicillin, in any strength not exceeding 100,000 units, when incorporated in a base of liquid or semi-solid consistency and contained in a collapsible tube fitted with a nozzle designed for insertion in the teat (for the treatment of bovine mastitis by intramammary injection):
- (c) Preparations of penicillin or a salt of penicillin, in any strength not exceeding 1,500,000 units, when contained in a collapsible tube fitted with a nozzle designed for use with a hypodermic needle (for the injection of stock):
- (d) Preparations of penicillin or a salt of penicillin in powder or tablet form (for the treatment of bloat in cattle):
- (e) Preparations of penicillin or a salt of penicillin (for use as a food supplement for stock).

2. Streptomycin and its salts and all other antibiotic metabolites, whether derived from natural sources or produced by synthesis; and preparations containing any of those substances, except the following preparations, namely:

- (a) The antibiotic metabolite known as tyrothricin:
- (b) Terramycin suspension in oil and in soluble powder form (for the treatment of diseases of poultry):
- (c) Terramycin (for use as a food supplement for stock):
- (d) Aureomycin (for use as a food supplement for stock).

3. Hormones and any preparation containing any hormone as a biological product for the treatment of stock, except the hormones hexoestrol and stilboestrol in tablet form (for use as implants for the caponisation of poultry)."

T. J. SHERRARD,
Clerk of the Executive Council.

EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations make it clear that the restrictions on the sale and use of vaccines imposed by regulation 39 of the principal regulations extend to serums and antiserums. The list of vaccines to which the said regulation 39 does not apply is extended; and a revised Schedule is provided of substances to which, in accordance with regulation 40 of the principal regulations, restrictions on retail sale, dispensing, and prescribing apply.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 6 April 1961.

These regulations are administered in the Department of Agriculture.

(Notice No. Ag. 7248.)
