At the Government House at Wellington this 23rd day of December
1963

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

PURSUANT to the Social Security Act 1938, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following regulations.

—
REGULATIONS

1. (1) These regulations may be cited as the Social Security (General Medical Services) Regulations 1950, Amendment No. 2, and shall be read together with and deemed part of the Social Security (General Medical Services) Regulations 1950* (hereinafter referred to as the principal regulations).

(2) These regulations shall come into force on the 1st day of April 1964.

2. (1) Regulation 4 of the principal regulations is hereby amended by adding to subclause (2) the following paragraph:

“(i) Medical services afforded, otherwise than in an emergency, in premises occupied for the purposes of an industrial concern to a person employed in that concern and afforded pursuant to an arrangement made by or on behalf of a medical practitioner with the owner or manager of that concern or the agent of that owner or manager.”

(2) Regulation 4 of the principal regulations is hereby further amended by adding the following subclause:

“(3) In paragraph (i) of subclause (2) of this regulation the term ‘industrial concern’ means a factory as defined in section 2 of the Factories Act 1946, a shop and a warehouse as respectively defined in section 2 of the Shops and Offices Act 1955, and a bank as defined in section 2 of the Banking Act 1908.”

3. Regulation 18A of the principal regulations (as inserted by regulation 7 of the Social Security (General Medical Services) Regulations 1950, Amendment No. 1) is hereby amended by omitting from sub-clause (1) the words "shall not exceed an amount specified in such notice", and substituting the words "or in respect of each such service in excess of a number specified in the notice in relation to any day or other specified period, shall not exceed an amount so specified".

T. J. SHERRARD,
Clerk of the Executive Council.

EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

Regulation 2 takes medical services that are afforded in an industrial or commercial undertaking pursuant to an arrangement made with the owner or manager outside the scope of the definition of "general medical services" in the Act. It is intended that such services may be the subject of special arrangements under section 82 of the Act.

The purpose of regulation 3 is to make it clear that a recommendation and notice in respect of a medical practitioner, found by the Disciplinary Committee to have provided an unduly large number of daily services, may relate to the excess only and need not affect all the services provided by that practitioner.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 23 December 1963.

These regulations are administered in the Health Department.
