## EXPLANATORY NOTE

*This note is not part of the order, but is intended to indicate its general effect.*

This order promulgates a new list of approved goods and special goods for the purposes of the Shop Trading Hours Act 1977. The list supersedes that set out in the First and Second Schedules to that Act, and differs from it in only certain respects.

The major changes are that the category of building supplies and handyman's requisites has been enlarged and changed from approved goods (that may be sold at any time) to special goods (that may be sold only on weekdays or between 7 a.m. and 1 p.m. on Saturdays), trailers, caravans, and boats have been changed from approved goods (that may be sold at any time) to special goods (that may be sold only on weekdays or between 7 a.m. and 6 p.m. on Saturdays), and frozen chicken, flowers, wreaths, various kinds of gardening supplies, pet food, greeting cards, detergents, torches, turpentine and methylated spirits, and certain other minor items have been made approved goods.

Issued under the authority of the Regulations Act 1936.
