Explanatory note

This note is not part of the order, but is intended to indicate its general effect.

This order, which comes into force on the 28th day after the date of its notification in the *Gazette*, amends the Tariff by creating new Tariff items for—

- household or other effects (except motor vehicles, sailing boats, powered vessels, ships, and aircraft) that are imported into New Zealand for personal use only by individuals with legal authority to reside, work, or study in this country; and
- alcoholic iceblocks.

The effect of the amendments is to—

- allow the electronic processing of import declarations for the relevant household and other effects; and
- permit the application of excise to imported alcoholic iceblocks that are not currently subject to excise.

Issued under the authority of the Acts and Regulations Publication Act 1989.

Date of notification in *Gazette*: 12 July 2001.

This order is administered in the Ministry of Economic Development.
