## EXPLANATORY NOTE

*This note is not part of the order, but is intended to indicate its general effect.*

This order, which comes into effect on 1 August 1992, provides for Tariff duty rate changes under the Product Graduation policy relating to less developed countries (LDC's).

The order raises duty rates on certain Tariff items to the Normal Tariff rate as a result of various LDC's having reached the product graduation thresholds of a 25 percent share, and \$100,000 value of trade, in the items involved.

The order also reinstates preferential LDC rates on certain Tariff items by reason of trade in those items having fallen below those thresholds for two consecutive years.

---

Issued under the authority of the Acts and Regulations Publication Act 1989.

Date of notification in *Gazette*: 11 June 1992.

This order is administered in the Ministry of Commerce.
