BOB MACFARLANE,
Acting for Clerk of the Executive Council.

EXPLANATORY NOTE

This note is not part of the order, but is intended to indicate its general effect.

This order, which comes into force on 1 July 1993, provides for tariff rate changes under the product graduation policy relating to less developed countries (LDCs).

The order raises duty rates on certain Tariff items to the Normal Tariff rate as a result of various LDCs having reached the product graduation threshold of a 25 percent share in, and \$117,000 value of trade in, the items involved.

The order reinstates preferential LDC rates on certain Tariff items by reason of trade in those items having fallen below that threshold for 2 consecutive years.

Issued under the authority of the Acts and Regulations Publication Act 1989.

Date of notification in *Gazette*: 27 May 1993.

This order is administered in the Ministry of Commerce.
