MARIE SHROFF,  
Clerk of the Executive Council.

1995/125

Tariff (Product Graduation) Amendment Order  
1995

653

## EXPLANATORY NOTE

*This note is not part of the order, but is intended to indicate its general effect.*

This order, which comes into force on the 28th day after the date of its notification in the *Gazette*, provides for tariff rate changes under the product graduation policy relating to Less Developed Countries (LDCs). Under that policy, the value threshold used by the Government to determine whether any Tariff changes are necessary has been raised from \$120,000 to \$121,000 in accordance with the increase in the Producers Price Index for Manufacturing Outputs.

The order raises duty rates on certain Tariff items to the Normal duty rate as a result of various LDCs having reached the product graduation thresholds of a 25 percent share in, and \$121,000 value of, trade in the items involved.

It also reinstates preferential LDC rates on certain Tariff items by reason of trade in those items having fallen below those thresholds for 2 consecutive years.

---

Issued under the authority of the Acts and Regulations Publication Act 1989.  
Date of notification in *Gazette*: 13 June 1995.  
This order is administered in the New Zealand Customs.
