THE TELEPHONE REGULATIONS 1968, AMENDMENT NO. 5

DENIS BLUNDELL, Governor-General

ORDER IN COUNCIL

At the Government House at Wellington this 21st day of January 1975

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

PURSUANT to the Post Office Act 1959, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following regulations.

REGULATIONS

1. Title—These regulations may be cited as the Telephone Regulations 1968, Amendment No. 5, and shall be read together with and deemed part of the Telephone Regulations 1968* (hereinafter referred to as the principal regulations).

2. Part VIIIA of the principal regulations—The Telephone Regulations 1968, Amendment No. 4, are hereby amended, as from their commencement, by revoking regulation 17, and substituting the following regulation:

“17. New Part VIIIA inserted—The principal Act is hereby further amended by inserting, after Part VIII, the following Part:

*S.R. 1968/234
Amendment No. 1: S.R. 1971/18
Amendment No. 2: S.R. 1971/199
Amendment No. 3: S.R. 1971/250
Amendment No. 4: S.R. 1974/278

“PART VIII A**“MISCELLANEOUS SERVICES AVAILABLE FROM CROSSBAR AND
OTHER SPECIFIED EXCHANGES**

“155A. Call diversion service—A service which enables subscribers to divert calls to up to 9 predetermined numbers may be provided, subject to payment of the prescribed installation fee and annual rental charges. Also, subject to payment of the prescribed additional annual rental charge, a second subscriber's number may be allocated to enable calls dialled to this number to be received while calls dialled to the normal number are being diverted. In multi-exchange areas all subscribers shall be connected to the same exchange.

“155B. Abbreviated dialling service—Subscribers may, subject to payment of the prescribed installation fee and annual rental, be provided with the facility of dialling a 3-digit code instead of the full number when calling up to 10 or 20 subscribers.

“155c. Call waiting service—Subscribers may, subject to payment of the prescribed installation fee and annual rental, be provided with a facility which indicates that a second call is waiting when their telephone is in use.

“155D. Push-button telephones—Telephones with push-button signalling pads in place of rotary dials may be provided, subject to payment of the prescribed additional annual rental charges.

“155E. Permanent price required service—A subscriber may, subject to payment of the prescribed installation charge and additional fee, be provided with a facility that will automatically cause all toll calls lodged from his telephone to be given price required service.

“155F. Extension identification service—Subject to payment of the prescribed installation charge and additional fee, a subscriber may have shown on the statement of toll charges the extension or other identification number quoted by callers in respect of every toll call made from his telephone.

“155G. Hotel service—Subject to payment of the prescribed installation charge and additional fee, a subscriber shall be informed of the charge payable and the room or other identification number quoted by callers in respect of every toll call made from his telephone.”

3. First Schedule to principal regulations—(1) Regulation 18 of the Telephone Regulations, Amendment No. 4, is hereby amended, as from its commencement, by revoking subclause (7), and substituting the following subclause:

“(7) Part IX of the said First Schedule is hereby further amended by revoking paragraph (e) of clause 1 and subclauses (3) and (6) of clause 2.”

(2) The Telephone Regulations, Amendment No. 4, are hereby further amended, as from their commencement, by revoking the Sixth Schedule, and substituting the Sixth Schedule set out in the Schedule to these regulations.
