EXPLANATORY NOTE

This note is not part of the notice, but is intended to indicate its general effect.

This notice, which is to come into force on 1 October 1986, provides that, notwithstanding anything in regulation 3 of the Metrication (Retail Trading) Regulations 1978, milk may be sold by retail if it is enclosed in a package of one of the metric net measures specified in the notice. The effect of the notice is that, beginning on that date, milk may be sold by retail in a much wider range of standard metric package sizes.

The term "milk" means, in this notice, "milk" as defined in section 2 of the Milk Act 1967. As so defined that term includes, among other things, cream.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 19 September 1986.

This notice is administered in the Department of Labour.
