EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations amend the Wheat Board Regulations 1965.

The amendments are consequential upon the amendments made to the Wheat Board Act 1965 by the Wheat Board Amendment Act 1986 in respect of the definition of “milling standard wheat”. The Board is now required, pursuant to section 28A (1) of the Act, to specify by resolution a minimum quality standard of wheat, and “milling standard wheat” is now defined in section 2 of the Act as wheat which meets or exceeds the standard so specified.

These regulations consequentially amend the principal regulations by substituting a new definition of “milling standard wheat” in regulation 2 (1) of the principal regulations. The definition is brought into line with the new definition of that term inserted in the Wheat Board Act 1965 by the Wheat Board Amendment Act 1986.

Regulation 6 of the principal regulations, which also relates to milling standard wheat, has been rendered redundant, and is consequentially revoked.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 14 August 1986.

These regulations are administered in the Department of Trade and Industry.
