EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 1 February 1976, make two amendments to the Wheat Board Regulations 1965.

Regulation 2 corrects an error in the description of milling standard wheat.

Regulation 3 substitutes a new regulation 33 in the principal regulations. Under the new regulation (which deals with levies) there is one change in substance, namely, the imposition of a new levy of 10c per tonne. This new levy is to be paid to United Wheat Growers (N.Z.) Ltd. and is to be used by that company for the purpose of meeting the costs of conducting economic surveys of wheatgrowers.

Issued under the authority of the Regulations Act 1936.
