EXPLANATORY NOTE

*This note is not part of the regulations, but is intended to indicate their general effect.*

These regulations, which come into force on 24 October 1984, vary the wage freeze.

*Regulation 2* makes further provision for the making of an instrument superseding an expired instrument not renewed in the 1981-82 wage round.

*Regulation 3* provides for further exemptions under regulation 6A of the principal regulations. To be exempt under that regulation an instrument must implement a complete settlement and be an instrument which—

- (a) Is made after the commencement of the principal regulations on 23 June 1982; and
- (b) Is specified in the Fourth Schedule to the principal regulations (as amended by these regulations); and
- (c) Contains terms relating to remuneration, or to both remuneration and reimbursing payments, all of which, after having been referred to the Wage Freeze Authority on the application of the parties, or, if there are not two or more parties, on the application of the employer, have been approved by it.

*Regulation 4* adds to the Sixth Schedule to the principal regulations (which names the employers who may enter into collective agreements with the New Zealand Early Childhood Workers' Industrial Union of Workers) the name of the YWCA of Hamilton, Clarence Street Childcare Centre. Such collective agreements are exempt from the wage freeze if they comply with regulation 6AB (1) of the principal regulations.
