EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

Regulation 2 enables a society, in cases where the Minister has consented to licences in another district being available in that society's district, to endorse any such licence to that effect at a fee fixed by the society.

Regulation 3 removes the requirement that a decision of the Council of the Society to issue a complimentary licence must be unanimous.

Regulation 4 effects metric conversions of measurements in the principal regulations. The conversions are not exact, but have been rounded off to convenient figures.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 18 January 1973.

These regulations are administered in the Department of Internal Affairs.
