minister the unexpended balance of the fund for the relief of those persons who have suffered financial hardship due to loss or damage from any subsequent flooding, or other natural disaster

Preamble

Whereas—

- (a) extensive flooding occurred in Southland in January 1984:
- (b) the Government appointed a committee to administer funds provided for the relief of persons suffering financial hardship due to loss or damage as a result of that flooding:
- (c) subscriptions to the fund were made by organisations and individuals throughout New Zealand, and a portion of the fund was subsidised by the Government:
- (d) payments have been made from the fund for the prescribed purpose:
- (e) the accounts for the fund have been audited by the Controller and Auditor-General:
- (f) there is an unexpended balance remaining in the fund:
- (g) properties in the City of Invercargill and in urban and rural parts of the district of Southland suffered severe flood damage subsequent to January 1984, and those persons whose property has been subjected to such recurring floods have suffered additional hardship:
- (h) there are no claims outstanding from the January 1984 floods, and it is therefore inexpedient for the committee to limit payments made from the fund to those cases relating to the January 1984 floods:
- (i) the committee wishes to disburse the balance of the fund for the relief of persons who have suffered recurrence of flooding, or other natural disaster, subsequent to January 1984:
- (j) it is desirable for this purpose to release the committee from the administration of the fund, and to vest its administration in the trustees hereinafter named:
- (k) owing to the difficulty in identifying the very large number of contributors throughout New Zealand and the impracticality of calling a meeting of such contributors, the objects of this Act cannot be achieved readily otherwise than by legislation.

3 Validation of acts of committee

All expenditure and payments made out of the fund by the committee at any time before the passing of this Act for the relief of persons suffering financial hardship due to loss or damage from any flood are hereby validated and declared to have been validly and lawfully made.

7 Audit of financial statements

- (1) Until such time as all the money in the fund is expended, the trustees shall prepare annual financial statements, which shall be audited by the Auditor-General.
- (2) As soon as practicable after each annual financial statement is audited the trustees shall publish the audited statement in a daily newspaper circulating in Southland.

Section 7(1), amended, on 1 July 2001, pursuant to section 52 of the Public Audit Act 2001 (2001 No 10).

8 Time limit of 20 years

If, on the expiry of the period of 20 years after the date of commencement of this Act, there is any unapplied money remaining in the fund, the trustees shall wind up the fund and apply the unexpended balance of the fund towards such charitable purpose or purposes (within the meaning of the Income Tax Act 2007) in Southland as the trustees in their absolute discretion think fit.

Section 8: amended, on 1 April 2008 (effective for 2008–09 income year and later income years, except when the context requires otherwise), by section ZA 2(1) of the Income Tax Act 2007 (2007 No 97).

9 Costs of promotion, etc

The trustees shall charge against and pay out of the unexpended balance of the fund all costs, charges, disbursements, and expenses incurred by the committee or the trustees in the preparation, promotion, and passing of this Act.
