Order

1 Title

This order is the COVID-19 Public Health Response (Vaccinations) Amendment Order (No 3) 2022.

2 Commencement

This order comes into force at 11.59 pm on 25 March 2022.

Note

The Parliamentary Counsel Office has made editorial and format changes to this version using the powers under subpart 2 of Part 3 of the Legislation Act 2019.

Note 4 at the end of this version provides a list of the amendments included in it.

This order is administered by the Ministry of Health.

3 Principal order

This order amends the COVID-19 Public Health Response (Vaccinations) Order 2021.

4 Schedule 3 replaced

Replace Schedule 3 with the Schedule 3 set out in the Schedule of this order.

Schedule Schedule 3 replaced

cl 4

Schedule 3 Vaccinations

Dated at Wellington this 22nd day of March 2022.

Hon Chris Hipkins,
Minister for COVID-19 Response.

Explanatory note

This note is not part of the order, but is intended to indicate its general effect.

This order amends the COVID-19 Public Health Response (Vaccinations) Order 2021 (the **principal order**), which requires persons who belong to specified groups and carry out certain work (**affected persons**) to be vaccinated. This order comes into force at 11.59 pm on 25 March 2022.

This order replaces Schedule 3 of the principal order to—

- update the names of some vaccines; and
- set out an expanded range of vaccines, or combinations of vaccines, that an affected person may receive (in accordance with the specific requirements) to be recognised as vaccinated.

Approval by resolution required

This order must be approved by a resolution of the House of Representatives before the expiry of the period described in section 16(2) of the COVID-19 Public Health Response Act 2020. If that does not happen, the order is revoked on the expiry of that period.

Issued under the authority of the Legislation Act 2019.
Date of notification in *Gazette*: 23 March 2022.

Notes

1 *General*

This is a consolidation of the COVID-19 Public Health Response (Vaccinations) Amendment Order (No 3) 2022 that incorporates the amendments made to the legislation so that it shows the law as at its stated date.

2 *Legal status*

A consolidation is taken to correctly state, as at its stated date, the law enacted or made by the legislation consolidated and by the amendments. This presumption applies unless the contrary is shown.

Section 78 of the Legislation Act 2019 provides that this consolidation, published as an electronic version, is an official version. A printed version of legislation that is produced directly from this official electronic version is also an official version.

3 *Editorial and format changes*

The Parliamentary Counsel Office makes editorial and format changes to consolidations using the powers under subpart 2 of Part 3 of the Legislation Act 2019. See also PCO editorial conventions for consolidations.

4 *Amendments incorporated in this consolidation*

COVID-19 Public Health Response (Revocations) Order 2022 (SL 2022/254): clause 3(2)
