These regulations, which come into force on 14 November 2021, amend the COVID-19 Public Health Response (Managed Isolation and Quarantine Charges) Regulations 2020 (the **principal regulations**).

The principal regulations are made under the COVID-19 Public Health Response Act 2020. They prescribe charges to recover the costs of a person's stay in a managed isolation or quarantine facility (an **MIQF**).

The amendments adjust the fees charged for staying at an MIQF to account for a reduction in the required length of stay from 14 days to 7 days.
