Explanatory note

This note is not part of the order, but is intended to indicate its general effect.

This order comes into force on 30 November 2012. It amends the Canterbury Earthquake (Rating Valuations Act—Waimakariri District Council) Order 2011 (the **principal order**) by extending the dates specified in clauses 3 and 5.

The principal order modifies or suspends the effect of certain provisions of the Rating Valuations Act 1998 (the **Act**) in relation to the Waimakariri District Council in order to—

- extend the interval within which the Waimakariri District Council must revise its district valuation roll; and
- limit the circumstances in which the Waimakariri District Council may alter its district valuation roll during the currency of the roll; and

- exempt the Waimakariri District Council from undertaking new valuations of rating units for the purpose of the district valuation roll on the request of owners of, or ratepayers for, rating units.

Clause 3 of the principal order provides that the order expires on the earlier of—

- the implementation of the next general revaluation (as modified by clause 5 of the principal order); and
- the close of 31 March 2013.

Clause 4 of this order amends clause 3 of the principal order by extending the 31 March 2013 expiry date to 31 March 2015.

Clause 5 of the principal order modifies the application of section 9(1) of the Act to the Waimakariri District Council. Section 9(1) requires a territorial authority to revise its district valuation roll at intervals of not more than 3 years. Clause 5 of the principal order extends the interval within which the Waimakariri District Council is to comply with that provision to 1 December 2012.

Clause 5 of this order amends clause 5 of the principal order by extending the 1 December 2012 date to 1 December 2014.

This order is made under the Canterbury Earthquake Recovery Act 2011 and its effect is temporary.
