Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on the day after the date of their notification in the *Gazette*, amend the Fisheries (South-East Area Amateur Fishing) Regulations 1986. They prohibit amateur fishers from using or setting any set net within the area defined as the Canterbury set net area during the period between the commencement of the regulations and 30 September 2001. This area does not include Lake Ellesmere, any river or stream that flows into Lake Ellesmere, or any tributary of any river or stream that flows into Lake Ellesmere (that is, it does not include the quota management area ANG13—Ellesmere). The aim of the prohibition is to protect Hector's dolphins.

Issued under the authority of the Acts and Regulations Publication Act 1989.
Date of notification in *Gazette*: 12 April 2001.
