Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 1 October 2008, amend the Fisheries (Central Area Amateur Fishing) Regulations 1986.

The amendments—

- introduce a new measure that prohibits the use of set nets in a certain defined area in order to avoid, remedy, or mitigate the effects of fishing-related mortality on Hector's and Maui's dolphins; and
 - make it an offence to act in contravention of, or fail to comply with, the new measure.
