Explanatory memorandum

This memorandum is not part of the determination, but is intended to indicate its general effect.

This determination, which is deemed to have come into force on 1 November 2014, sets a new rate for the salary of the Governor-General. The determination is made under the Governor-General Act 2010 (the **Act**), which provides for the Governor-General's salary to be determined from time to time by the Remuneration Authority. Under the Act, the salary of the Governor-General is set on the basis that it is not exempt from income tax.

In this determination, the Authority has adjusted the salary to \$342,000 a year, in line with adjustments made by the Authority in 2014 for the other senior offices for which it sets remuneration.

The determination replaces the Governor-General (Salary) Determination 2014, which expired on 31 October 2014. The determination is for a year from 1 November 2014. The making of the determination was delayed beyond the expiry of the previous determination in order to allow the Remuneration Authority to carry out preparatory work on the determination.

This determination expires on the close of 31 October 2015.
