Description of Counties Manukau District Health Board Quality Assurance Activity	

Note

Changes authorised by section 17C of the Acts and Regulations Publication Act 1989 have been made in this eprint.

A general outline of these changes is set out in the notes at the end of this eprint, together with other explanatory material about this eprint.

This notice is administered in the Ministry of Health.

Notice

1 Title

This notice is the Health Practitioners (Quality Assurance Activity: Counties Manukau District Health Board) Notice 2004.

2 Commencement

This notice comes into force on the day after the date of its notification in the *Gazette*.

3 Declaration of protected quality assurance activity

The Counties Manukau District Health Board Quality Assurance Activity described in the Schedule is a protected quality assurance activity.

Schedule

cl 3

Description of Counties Manukau District Health Board Quality Assurance Activity

1 Objective

The objective of the activity is to improve the practices and competence of health practitioners engaged in the activity by assessing the health services performed by those health practitioners.

2 Method

- (1) The activity is based on information derived from health practitioners who provide health services on behalf of the Counties Manukau District Health Board.
- (2) The activity involves—
 - (a) the examination of patients' records; and
 - (b) the analysis of the following data on patients:
 - (i) admission and discharge; and
 - (ii) morbidity; and
 - (iii) mortality; and
 - (iv) outcomes of treatment; and
 - (c) the analysis of the patient care process; and

- (d) the identification and analysis of any process or practice that results in an outcome for patients which may, but need not be, an adverse outcome; and
- (e) the presentation and discussion of the results obtained under paragraphs (a) to (d) by health practitioners engaging in the activity; and
- (f) the assessment of particular activities or interventions undertaken by health practitioners to determine whether the activities or interventions—
 - (i) were appropriate; and
 - (ii) were of an excellent quality; and
 - (iii) gave satisfaction to the patients; and
- (g) the review and analysis, through peer review, of practitioners' medical knowledge, management, and interpersonal relationships; and
- (h) the making of recommendations on how the health practitioners who are participating in the activity can improve their performance so as to—
 - (i) improve the quality of care they provide; and
 - (ii) reduce the incidence of adverse outcomes; and
- (i) the facilitation and monitoring of the implementation of any such recommendations.

Dated at Wellington this 12th day of July 2004.

Hon Annette King,
Minister of Health.

Explanatory note

This note is not part of the notice, but is intended to indicate its general effect.

This notice, which comes into force on the day after the date of its notification in the *Gazette*, declares the quality assurance activity called the Counties Manukau District Health Board Quality Assurance Ac-

tivity to be a protected quality assurance activity. The effect of this declaration is that, subject to certain exceptions,—

- any information that becomes known solely as a result of the activity is confidential; and
- any documents brought into existence solely for the purposes of the activity are confidential; and
- the persons who engage in the activity in good faith are immune from civil liability.

Under section 54(4) of the Health Practitioners Competence Assurance Act 2003, this notice remains in force for a period of 5 years after the date on which it is issued, unless it is sooner revoked.

Issued under the authority of the Acts and Regulations Publication Act 1989.
Date of notification in *Gazette*: 22 July 2004.
