 - (ii) drug utilisation;
 - (iii) morbidity;
 - (iv) mortality;
 - (v) outcomes of treatment; and
- (c) identifying and analysing any clinical practice that results in an outcome for patients that may, but need not, be an adverse outcome; and
- (d) reviewing patient management and treatment decisions; and
- (e) making recommendations on how participants can improve their practices and competence so as to—
 - (i) improve the quality of care they provide; and
 - (ii) reduce the incidence of adverse outcomes; and
- (f) facilitating and monitoring the implementation of recommendations described in paragraph (e).

Dated at Wellington this 2nd day of November 2009.

Hon Tony Ryall,
Minister of Health.

Explanatory note

This note is not part of the notice, but is intended to indicate its general effect.

This notice, which comes into force on the day after the date of its notification in the *Gazette*, declares the Taranaki DHB Quality Assurance Activity to be a protected quality assurance activity. The effect of this declaration is that—

- any information that becomes known solely as a result of the activity is confidential; and
- any documents brought into existence solely for the purposes of the activity are confidential; and
- the persons who engage in the activity in good faith are immune from civil liability.

The protections afforded by this notice are subject to certain statutory exceptions. For example, this notice does not prohibit the disclosure of information that does not identify, either expressly or by implication, a particular individual.

Under section 54(4) of the Health Practitioners Competence Assurance Act 2003, this notice remains in force for a period of 5 years after the date on which it is issued, unless it is sooner revoked.

This notice revokes the Health Practitioners (Quality Assurance Activity: Taranaki District Health Board) Notice 2004, which has expired.

Issued under the authority of the Legislation Act 2012.
Date of notification in *Gazette*: 12 November 2009.
