Explanatory note

This note is not part of the order, but is intended to indicate its general effect.

This order, which comes into force on 1 October 2003, approves a proposal that has been prepared in accordance with section 5 of the Health Sector (Transfers) Act 1993.

The effect of the order is to transfer to District Health Boards the rights, liabilities, and obligations that the Crown (acting through the Ministry of Health) has under certain specified agreements with providers of health services. Those specified agreements are service agreements under which disability support services are provided to—

- “older people”, being people aged 65 years and over; and
- people aged 50 to 64 who are assessed as “close in interest” to older people.

However, the Crown (acting through the Ministry of Health) remains liable to pay for services provided, before 1 October 2003, under those agreements.

Issued under the authority of the Legislation Act 2019.
Date of notification in *Gazette*: 4 September 2003.
