Explanatory note

This note is not part of the order, but is intended to indicate its general effect.

This order, which comes into force on 1 October 2001, approves a proposal that has been prepared in accordance with section 5 of the Health Sector (Transfers) Act 1993. The effect of the order is twofold. First, to transfer to District Health Boards the rights and obligations of the Crown (acting through the Ministry of Health) under certain arrangements with providers of health services and disability support services. Second, to reallocate arrangement of that kind between DHBs. In both cases, the transferor concerned remains liable to pay for services provided, before 1 October 2001, under those arrangements.

Issued under the authority of the Legislation Act 2019.
Date of notification in *Gazette*: 20 September 2001.
