Cheques or money orders must be made out to the [specify enforcement authority] and must be crossed and marked not transferable or account payee only.

Issued by: [full name], being a person duly authorised by the Tasman District Council.

**Important:** Please read the following statement of rights.

### **Statement of rights**

If, after reading this statement, there is anything in it that you do not understand, you should consult a lawyer immediately.

- 1 This notice sets out 1 or more alleged infringement offences. Each offence that is identified by a number is a separate infringement offence. You may decide what to do in respect of each alleged offence individually, and may act in the same way in respect of all alleged offences, or in different ways in respect of different alleged offences, as set out below.

**Note:** If, under section 21(3A) or section section 21(3C)(a) of the Summary Proceedings Act 1957, you enter or have entered into a time-to-pay arrangement with the enforcement authority in respect of an infringement fee payable by you, paragraphs 4(b) and (c), 5, and 6 of this notice do not apply and you are not entitled either to request a hearing to deny liability or to ask the court to consider any submissions (as to penalty or otherwise) in respect of the infringement.

#### *Payments*

- 2 If you pay the infringement fee for an alleged offence within 28 days of the service on you of this notice, no further enforcement action will be taken for that offence. Payments must be made at the address indicated above.

#### *Defence*

- 3 You have a complete defence against proceedings for an alleged offence if the infringement fee for that offence has been paid to the enforcement authority at the address shown on the front page of this notice within 28 days after service on you of a reminder notice. Late payment or payment made to any other address will not constitute a defence.

#### *Further action*

- 4 You may write to the enforcement authority at the address shown above if you wish to—
- (a) raise any matter relating to the circumstances of an alleged offence for consideration by the enforcement authority; or
  - (b) deny liability for the offence and request a court hearing (refer to paragraphs 5 and 9); or
  - (c) admit liability for the offence, but wish to have a court consider written submissions as to penalty or otherwise (refer to paragraphs 6 and 9).

Any such letter must be personally signed.

- 5 If you deny liability for the offence and request a hearing, the enforcement authority will, unless it decides not to commence court proceedings in respect of

the offence, serve you with a notice of hearing setting out the place and time at which the matter will be heard by the court.

- 6 If you admit liability for the offence, but wish the court to consider your submissions as to penalty or otherwise, you must, in your letter to the enforcement authority,—
- (a) request a hearing; and
  - (b) admit liability; and
  - (c) set out the written submissions you wish the court to consider.

The enforcement authority will then file your letter with the court (unless it decides not to commence court proceedings in respect of the offence). There is no provision for an oral hearing before the court if you follow this course of action.

#### *Non-payment of fee*

- 7 If you do not pay the infringement fee and do not request a hearing in respect of an alleged offence within 28 days after the service on you of this notice, you will (unless the enforcement authority decides otherwise) be served with a reminder notice.
- 8 If you do not pay the infringement fee and do not request a hearing in respect of the alleged offence within 28 days after being served with the reminder notice, you will become liable to pay **costs in addition to the infringement fee** unless the enforcement authority decides not to commence proceedings against you.

#### *Queries and correspondence*

- 9 When writing to an enforcement authority or making payment of an infringement fee, please indicate—
- (a) the date of the infringement offence; and
  - (b) the infringement notice number; and
  - (c) the identifying number of each alleged offence and the course of action you are taking in respect of each alleged offence (if this notice sets out more than 1 offence and you are not paying all the infringement fees for the alleged offences); and
  - (d) your address for replies (if you are not paying all the infringement fees for the alleged offences).

If it is not clear which alleged offence any payment relates to, your payment may be treated as relating to the alleged offences in the order in which they are set out above.

**Note:** All queries and correspondence regarding the infringement offence(s) must be directed to the enforcement authority named in this notice at the address shown.

Diane Morcom,  
Clerk of the Executive Council.
