Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 1 July 1998, replace the Survey (Departmental Fees and Charges) Regulations 1993. The regulations increase and restructure the fees for examining plans. Two scales of fees have been set for examining plans. The lower scale applies to examinations (**limited examinations**) that do not in-

volve more than a number of specified steps. The higher scale applies to all other examinations.

The fee for supplying microfilm printouts has been set at \$8 per sheet. The remaining fees have not been changed.

Issued under the authority of the Acts and Regulations Publication Act 1989.
Date of notification in *Gazette*: 28 May 1998.
