Note

Changes authorised by subpart 2 of Part 2 of the Legislation Act 2012 have been made in this reprint. See the notes at the end of this reprint for further details.

These regulations are administered in the Ministry of Social Development.

- (2) In these regulations, the Social Security (Childcare Assistance) Regulations 2004 (SR 2004/268) are called “the principal regulations”.

2 Commencement

- (1) Regulation 6 and the Schedule come into force on 3 October 2005.
(2) The rest of these regulations come into force on 1 August 2005.

3 Interpretation

Regulation 3(1) of the principal regulations is amended by omitting from paragraph (b) of the definition of **approved early-childhood programme** the words “(not being care provided in the home of the child concerned)”.

4 New regulation 5A inserted

The principal regulations are amended by inserting, after regulation 5, the following regulation:

5A Childcare assistance not payable in respect of certain hours

Childcare assistance is not payable in respect of any hour of a child’s participation in an approved early-childhood programme or OSCAR programme if, for that hour, payment other than childcare assistance is made towards the costs of the child’s participation in the programme through a funding programme—

- (a) that is provided by the Government in order to purchase hours of childcare; and
(b) under which the amount provided per hour for childcare exceeds the hourly rate of childcare assistance as calculated under regulation 6.

5 Assistance to be no more than hourly fee payable

- (1) Regulation 6 of the principal regulations is amended by inserting, after subclause (1), the following subclause:

(1A) For the purposes of subclause (1), the actual hourly fee payable for a child’s participation in a programme does not include any payment made by a person other than the applicant towards the fee payable in respect of that child’s participation in the programme.

- (2) Regulation 6 of the principal regulations is amended by revoking subclause (2), and substituting the following subclauses:

- (2) If a periodic flat fee is payable for a child’s participation in a programme, or for keeping open a child’s place in a programme, the averaged hourly fee payable for the purposes of subclause (1) is the amount obtained by—
(a) subtracting from that flat fee any payment made by a person other than the applicant towards the flat fee; and

- (b) dividing the amount calculated under paragraph (a) by the number of hours during the period concerned for which the child is enrolled to participate in the programme.
- (3) This regulation is subject to regulation 5A.
