- made because the person suffered a personal injury that is, or was caused by, hepatitis C infection contracted through the New Zealand blood supply.

The exemption applies only in respect of the first 12 months after the ex gratia payment concerned was made.

(**Crown, New Zealand blood supply**, and **personal injury** have the meanings given to them by the related Social Security (Income and Cash Assets Exemptions: Personal Injury from Hepatitis C Infection Contracted Through New Zealand Blood Supply) Regulations 2006.)
