### **Explanatory note**

*This note is not part of the order, but is intended to indicate its general effect.*

This order, which comes into force on 1 April 2013, amends the War Pensions Act 1954 in 2 ways.

First, *clause 4* and *Schedule 1* increase the following by 0.61% (reflecting the increase in the New Zealand Consumers Price Index (All Groups) excluding cigarettes and other tobacco products):

- the maximum rate of a disablement pension:
- the maximum rate of an additional pension for severe disablement:
- clothing allowances:
- the maximum rate of allowance for the services of attendants for disabled pensioners:
- the maximum rate of surviving spouses' or surviving partners' pensions:
- the maximum rates of additional parents' allowances payable to a surviving spouse or surviving partner:
- the maximum rate of children's pensions in ordinary cases:
- the maximum rate of war orphans' pensions:
- the maximum rates of veterans' pensions:
- the maximum payments on the death of a veteran or a veteran's spouse, civil union partner, or de facto partner.

Secondly, *clause 5* and *Schedule 2* make some additional increases to figures already increased by *clause 4* and *Schedule 1* in order to honour the Government's commitments in relation to the level of veterans' pensions.
