End of Life Choice Bill

Proposed amendment to SOP No 259

Kanwaljit Singh Bakshi, in Committee, to move the following amendment:

Clause 19

In *clause 19(1)* (page 17), after “the number of members that the Director-General considers appropriate”, insert “, but in any case no fewer than 7 and no more than 13 members”.

Explanatory note

This Supplementary Order Paper amends Supplementary Order Paper No 259 amending the End of Life Choice Bill by proposing an appropriate range for the number of members of the SCENZ Group.

It is relatively unusual for the number of members of a statutory body to be left unspecified.

It is also undesirable that no guidance in the matter be given. A statutory body that is too small in number would risk disproportionate influence being accorded to any given individual member. Conversely, a statutory body that is too large in number risks the dilution of the specific expert influence that will be afforded by the appointment of particular members, as mandated by the proposed legislation.
