**Government Communications Security Bureau  
and Related Legislation Amendment Bill**

---

*Proposed amendment*

Dr Russel Norman, in Committee, to move the following amendment:

*Clause 24, new section 25:*

In *clause 24, new section 25(1)(a)*, after “possession of the Bureau” (line 5 on page 21) insert “if there is a connection to a clear and present security threat”.

---

**Explanatory note**

This Supplementary Order Paper amends *clause 24* of the Government Communications Security Bureau and Related Legislation Amendment Bill. If incidentally obtained intelligence is to be obtained, then it should at least meet the threshold of having a connection to a clear and present security threat. This amendment adds this criterion to *new section 25*.
