Ngāti Whātua Ōrākei Claims Settlement Bill

Proposed amendments

Hon Christopher Finlayson, in Committee, to move the following amendments:

Clause 12

In *clause 12(3)(c)*, replace “claim to which **subsection (2)** applies” (line 19 on page 19) with “claim, to the extent that the claim relates to Ngāti Whātua Ōrākei or a representative entity and **subsection (2)** applies to the claim,”.

In *clause 12(4)(b)*, after “the claim” (line 36 on page 19), insert “relates to Ngāti Whātua Ōrākei or a representative entity and”.

Clause 27

In *clause 27(1)(a)*, replace “Economic Development” (line 10 on page 26) with “Business, Innovation, and Employment”.

Explanatory note

This Supplementary Order Paper (**SOP**) makes 3 technical amendments to the Ngāti Whātua Ōrākei Claims Settlement Bill (the **Bill**).

The first 2 amendments, in *clause 12(3)(c) and (4)(b)*, each add words to specifically refer to Ngāti Whātua Ōrākei or a representative entity for consistency with the other provisions of *clause 12*.

The SOP also amends *clause 27(1)(a)* of the Bill by replacing a reference to the Ministry of Economic Development with a reference to the Ministry of Business, Innovation, and Employment. The Ministry of Economic Development was abolished on 1 July 2012 and its functions transferred to the Ministry of Business, Innovation, and Employment.
