Explanatory note

This Supplementary Order Paper amends the Oversight of Oranga Tamariki System and Children and Young People's Commission Bill. It would require the Act arising from the passage of this bill to be reviewed no later than 6 months after the report of the Royal Commission of Inquiry into Abuse in Care is delivered to the Minister and for the review to be completed no later than 12 months after its commencement. It would also require the Act arising from the passage of this Bill to be confirmed by the House of Representatives by 1 April 2025, or the Act would repeal itself.
