**Prohibition of Gang Insignia in Government
Premises Bill**

Proposed amendment

Richard Prosser, in Committee, to move the following amendment:

Clause 4

In the definition of **Government premises**, *paragraph (a)*, after “any structure” (line 29 on page 4), insert “(including any associated grounds)”.

Explanatory note

This Supplementary Order Paper would clarify that the definition of **Government premises** includes associated grounds, for example, the playing fields and courts associated with a sports or recreation facility, or a car park associated with a Government building.
