(3) In this clause, **transitional ITO** and **transition period** have the same meanings as in **clause 26 of Schedule 1 of the Education and Training Act 2020**.

**Explanatory note**

This Supplementary Order Paper amends the Veterans' Support Amendment Bill (No 2) to—

- amend *clause 12* by—
  - replacing the definition of prisoner in *new section 29(3)* of the Veterans' Support Act 2014 (the **principal Act**) with a definition that aligns with the new definition of **prison** in *new section 29(3)*;
  - making a minor amendment to *new section 29(1)(b)* by correcting a cross-reference to Parts 3 to 5 of the principal Act;
- replace *clause 15*, which amends section 81 of the principal Act. Some of the amendments made by that clause (*new subsection (1)(b)* and *new subsection (5)*) are no longer needed because equivalent amendments are made by **Schedule 24 of the Education and Training Act 2019**. *New subsection (1)(c)* is still required and is inserted by *new clause 15*;
- insert *clause 31A*, which inserts *new Part 5* into Schedule 1 (transitional, savings, and related provisions) of the principal Act. *New Part 5* is related to the amendment to section 81 of the principal Act made by **Schedule 24 of the Education and Training Act 2019**. It provides that, during the transition period relating to the work-based training provisions of **Schedule 1 of the Education and Training Act 2019**, a transitional ITO (industry training organisation) (as defined in that schedule) must also be treated as a tertiary education organisation for the purposes of section 81 of the principal Act.

**Departmental disclosure statement**

Veterans' Affairs New Zealand considers that a departmental disclosure statement is not required to be prepared for this Supplementary Order Paper.
