## Water Services Entities Bill

### *Proposed amendments*

Simon Watts, in Committee, to move the following amendments:

#### *Clause 4*

In *clause 4*, delete cross-heading (Page 13, line 18).

In *clause 4*, delete *subclause (4)* (Page 13, lines 19 to 21).

### **Explanatory note**

This Supplementary Order Paper amends the Water Services Entities Bill to remove the clause that expands Te Mana o te Wai statements to include coastal and geothermal waters. This Supplementary Order Paper would restore the original scope of Te Mana o te Wai statements.

The inclusion of coastal and geothermal waters for the purposes of Te Mana o te Wai is a significant departure from the stated purpose of the bill.
