## COVID-19 Recovery (Fast-track Consenting) Bill

### *Proposed amendment*

Jami-Lee Ross, in Committee, to move the following amendment:

#### *Schedule 2*

In *Schedule 2*, after item LP16 (page 29), insert:

LP17	Auckland water critical supply improvements	Auckland Council, Waikato Regional Council, and Watercare	Project to allow Auckland to take an additional 200,000 m <sup>3</sup> /day (net) of water from the Waikato River for municipal water supply. The project will include infrastructure and operational requirements, including construction of a new intake, raw water pipeline and advanced water treatment plant, and modifications to the existing water transmission system like the construction of a booster pumping station	Auckland and Waikato regions
------	---	---	---	------------------------------

### **Explanatory note**

This Supplementary Order Paper proposes to amend the COVID-19 Recovery (Fast-track Consenting) Bill to include in the list of projects of Schedule 2 the Auckland water critical supply improvements.
