Supplementary Order Paper

Tuesday, 30 June 2020

COVID-19 Recovery (Fast-track Consenting) Bill

Proposed amendment

Jenny Marcroft, in Committee, to move the following amendment:

Schedule 2

In *Schedule 2*, after item LP16 (page 29), insert:

LP17	Watercare Auckland Waikato River Water Take	Auckland Council and Watercare	To allow take of up to 200 million litres per day from the Waikato River near Tuakau, upgrades to the Waikato Water Treatment Plant and associated discharge permits, and construction of distribution infrastructure	Waikato River bed adjacent to land described as Allotment 99, Tuakau Parish, Blk IV, Onewhero SD
------	------------------------------------------------------	-----------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------

Explanatory note

This Supplementary Order Paper amends the COVID-19 Recovery (Fast-track Consenting) Bill to enable Watercare Auckland to have its resource consent handled via the particular statutory process provided for in this Bill.
