## Child Poverty Reduction Bill

### *Proposed amendment*

Hon Alfred Ngaro, in Committee, to move the following amendment:

*New clause 20A*

After *clause 20*, insert:

#### **20A Target: overall**

The Minister must set a target of reducing the number of children in material hardship by 100,000 in 3 years.

### **Explanatory note**

This Supplementary Order Paper inserts *new clause 20A* into the Child Poverty Reduction Bill to require the Minister to set a target of reducing the number of children in material hardship by 100,000 in 3 years. This was a target National had committed to with support from initiatives such as the Family Incomes Package last year.
