**Government Communications Security Bureau
and Related Legislation Amendment Bill**

Proposed amendment

Dr Russel Norman, in Committee, to move the following amendment:

Clause 31

In *clause 31(1)*, new section *11(1)(d)(ii)(D)* (after line 4 on page 26), insert “; and” and also insert:

“(E) privacy.”

Explanatory note

This Supplementary Order Paper amends the Government Communications Security Bureau and Related Legislation Amendment Bill. The functions of the Inspector-General do not currently extend to ensuring that ‘privacy’ is included in the policies and practices of an intelligence agency that are subject to review and/or unscheduled audit. This amendment explicitly includes privacy as a practice and policy that is subject to a review.
