Explanatory note

This Supplementary Order Paper amends the Gambling (Gambling Harm Reduction) Amendment Bill, which as currently drafted does not restrict the hours of gambling operations.

This Supplementary Order Paper amends the Bill to provide that, in addition to restrictions already provided for in relation to certain public holidays, casino gambling must not be conducted on any other day between the hours of 4 am and 9 am.

This Supplementary Order Paper also amends the Bill to provide for restricted hours of operation at class 4 venues.

These amendments will ensure that problem gamblers are not able to gamble for an unrestricted period of time.
