Explanatory note

This Supplementary Order Paper amends *clause 27A*, which provides for a review of the operation of the Bill. The Bill does not adequately protect the “full and final” rights established in the Treaty of Waitangi (Fisheries Claims) Settlement Act 1992, in particular those fishing rights relating to Fishery Management Area 10. The amendments to *clause 27A* are intended to change the proposed review period to 10 years, and will make provision for the consideration of the effect of the Kermadec/Rangitāhua Ocean Sanctuary on Māori customary and commercial rights.
