**Land Transport Amendment Bill**

---

*Proposed amendments*

Hon Gerry Brownlee, in Committee, to move the following amendments:

*Clause 5(2), new section 56(2A)*

In *clause 5(2), new section 56(2A)*, replace “section 72(1)(c)” (page 3, line 13) with “section 72(1)(b) to (e)”.

---

**Explanatory note**

This Supplementary Order Paper makes a technical amendment to a cross-reference in *new section 56(2A)*. The amendment ensures that, regardless of the provision under which a person is required to provide a blood specimen, if the result of the person’s blood test indicates that the person drove or attempted to drive a motor vehicle on a road with a proportion of alcohol in his or her blood that was within the infringement offence range, the person will have committed an infringement offence.
