# Supplementary Order Paper

**Tuesday, 25 July 2023**

**Natural and Built Environment Bill**

*Proposed amendment*

Simon Court, in Committee, to move the following amendment:

*Clause 276*

In *clause 276(3)(c)*, after “the construction,” (page 284, line 34), insert “operation,”.

**Explanatory note**

This Supplementary Order Paper amends the Natural and Built Environment Bill. The Environment Committee recommended including the wording “or that connect to a local distribution network” in *clause 276(3)(c)(v)*. However, the committee failed to include the word “operation” in the chapeau of *paragraph (c)*, which effectively limits the exemptions to the construction, upgrading, and maintenance of renewable electricity generation, and not to the operation of those facilities.
