New Zealand Māori Arts and Crafts Institute Vesting Bill

Proposed amendment

Honourable Nanaia Mahuta, in Committee, to move the following amendment:

Clause 2

In *clause 2*, replace “the day after the date on which it receives the Royal assent” (page 3, lines 21 and 22) with “1 April 2020”.

Explanatory note

This Supplementary Order Paper amends the date on which this Bill comes into force. In light of the timing of the third reading of this Bill, an amendment to bring the Bill into force to align with the first day of the new financial year would simplify the timing of the financial and other reporting requirements and give greater certainty to those affected by the vesting.
