

House of Representatives  
**Supplementary Order Paper**

**Tuesday, 29 June 2010**

**Statutes Amendment Bill**

---

*Proposed amendment*

Hon Nathan Guy, in Committee, to move the following amendment:

*Clause 167(1)*

*Paragraph (a)* of the new definition of **code company**: to insert after “the registered exchange’s” (line 25 on page 52) “securities”.

---

**Explanatory note**

This Supplementary Order Paper amends the Part in the Statutes Amendment Bill that relates to the Takeovers Act 1993. The Part inserts a new definition of code company that refers to a registered exchange’s market. Because of recent changes made by the Securities Markets Amendment Act 2009, this should now refer to the registered exchange’s securities market. This Supplementary Order Paper inserts the word “securities” in order to correct this error.
