Smokefree Environments and Regulated Products (Vaping) Amendment Bill

Proposed amendments

Hon Nicky Wagner, in Committee, to move the following amendments:

Clause 26

In *clause 26*, replace *new section 53(2A)*, (page 36, lines 34 to 36) with:

- (2A) A person must not import for sale, sell, pack, or distribute any oral nicotine product unless—
- (a) it is a notifiable product that has been notified in accordance with **Part 4**; or
 - (b) the Minister of Health has given consent or provisional consent to the distribution of the product under the Medicines Act 1981.

In *clause 26*, *new section 58*, definition of **notifiable product**, paragraph (b), replace “product” (page 38, line 24) with “product; or”.

In *clause 26*, *new section 58*, definition of **notifiable product**, after paragraph (b) (page 38, after line 24), insert:

- (c) non-tobacco nicotine pouch

Explanatory note

This Supplementary Order Paper amends the Smokefree Environments and Regulated Products (Vaping) Amendment Bill to make non-tobacco nicotine pouches a notifiable product for the purpose of the Bill and, when such a product is notified in accordance with Part 4 of the Bill, to remove it from the prohibition on the sale and distribution of oral nicotine products under *new section 53(2A)*. This recognises the utility of non-tobacco nicotine pouches as an aid to help smokers quit.
