Sentencing (Offender Levy) Amendment Bill

Proposed amendments

Hon Simon Power, in Committee, to move the following amendments:

Clause 7A

To omit this clause (lines 19 to 26 on page 5).

Schedule

Item relating to the Immigration Act 1987: to omit this item (lines 7 to 10 on page 7).

Explanatory note

This Supplementary Order Paper removes 2 amendments made by the Sentencing (Offender Levy) Amendment Bill.

It is intended that the amendment made by *clause 7A* (which relates to allocating proceeds from the sale of a confiscated motor vehicle) be effected instead by a Supplementary Order Paper to the Vehicle Confiscation and Seizure Bill.

It is intended that the amendment made by the item in the Schedule relating to the Immigration Act 1987 (which relates to the definition of fine in section 141AD of that Act) be effected instead by a Supplementary Order Paper to the Immigration Bill.
