WANGANUI BOROUGH COUNCIL.

NOTICE UNDER SECTION 13 OF THE LOCAL BODIES' LOANS ACT, 1908.

I HEREBY publicly notify that at the poll taken on Wednesday, the 30th day of April, 1913, on the proposal of the Wanganui Borough Council to borrow the sum of seven thousand five hundred pounds (£17,500) for the following purposes, that is to say,—

1. The completion of the traffic-bridge across the Wanganui River from a point on the right bank of the said river at the junction or intersection of Dublin Street and the River Bank Road to a point on the left bank of the said river abutting on Lot 3 and Lot 5 of Section 63 on the plan of the left bank of the Wanganui River, and the necessary approaches thereto, by the substitution of reinforced-concrete cylinders at piers B, C, D, E, F, G, and H of the said bridge instead of reinforced-concrete pile piers as originally designed, according to a design, plans, and specifications and conditions prepared by the Public Works Department of the Dominion of New Zealand, and all matters incidental, connected with, or relating thereto. The said bridge is being constructed by the Wanganui Borough Council, and is being so constructed as to allow of vehicular, tramway, pedestrian, and sheep and cattle traffic.—£8,500.
2. The construction under the Tramways Act, 1908, and its amendments, and other Acts enabling it in that behalf, and the equipment of an electric tramway of the following description: The route of the proposed tramway commences at a point on the present tramway system of the Borough of Wanganui at the junction or intersection of Dublin Street and the River Bank Road, thence across the River Bank Road to the traffic-bridge proposed to be erected across the Wanganui River (from a point on the River Bank Road at its junction with Dublin Street to a point on the left bank of the Wanganui River abutting on Lot 3 or Lot 5 of Section 63 on the plan of the left bank of the Wanganui River), thence across the said bridge, thence along a street proposed to be made along the south boundary of the said Lot 3 and through Lots 7 and 18 of Section 63 to Gellatly Street, thence north-easterly by way of Scott Street to its junction with Duncan Street, thence by way of Duncan Street and Tinirau Street to Pehi Road to a point at or near the junction of Pehi Road with Holyoake Street; and for the providing of electric tramcars, plant, buildings, sheds, and all other land, buildings, machinery, appliances, plant, apparatus, and things necessary, convenient, or expedient for the purpose of constructing, maintaining, and working such tramway, and all things incidental thereto or used in connection therewith. The tramway is to be constructed of materials
